# Discover Arts Award in a Day

Visit Salisbury Arts Centre and complete a Discover Arts Award in one day. You will participate in two workshops exploring two artforms on rotation and take part in a sharing at the end of the day. This all goes towards your Discover Arts Award Certificate. We can tailor the day to suit your curriculum and ensure we highlight and link to Creative Careers.

## Workshops

We offer bespoke workshops in different artforms, tailored to your group. We can collaborate with you on a series of workshops towards a sharing of work, perhaps a performance or curating an exhibition.

We can design workshops to suit your curriculum, topics and learning objectives, including discovering new techniques, creation time and sharing of work. Prices from £80 per workshop.

Our popular Beginners Please! Project was sadly halted due to the pandemic in 2020. As we recover and rebuild Wiltshire Creative following the unprecedented challenges we have faced, we cannot commit to running the project in its former format at this point.

We understand how important this project was to many of you and wish to continue working with you, which is why we are offering a bespoke project to suit your needs best.
